HEALTH, SAFETY, AND ENVIRONMENTAL POLICY

This Health, Safety and Environmental Policy (the “Policy”) applies to Valero Energy Corporation and its majority-owned and controlled subsidiaries (collectively, “Valero” or the “Company”), and to all employees, officers, and directors of Valero.

Protection of Valero’s employees, contractors, customers, communities, and the environment is Valero’s highest priority and a core business value. Valero is committed to achieving health, safety and environmental excellence throughout the Company.

Valero’s compliance with these standards is demonstrated by:

- Implementing procedures, management systems and training programs to prevent and reduce the impact of any potential occupational illnesses, injuries, accidents, or environmental impairment.
- Meeting or exceeding applicable governmental requirements and Valero standards.
- Complying with all applicable laws and regulations affecting health, safety and protection of the environment.
- Preparing and equipping our facilities to competently respond to emergency situations.
- Maintaining our facilities to promote and provide a safe, healthy, and secure work place.
- Managing natural resources, products, and other resources in an efficient, safe, and environmentally sound manner to minimize health, safety, and environmental impacts.
- Maintaining strong working relationships with health, safety, and environmental regulators and those governmental institutions having responsibilities over our operations.
- Communicating openly and transparently with our employees, the public, the communities in which we operate, and other key stakeholders to promote a full understanding of our health, safety, and environmental commitments.
- Setting and evaluating operational, compliance and safety goals, targets, and measurements to assess and promote health, safety, and environmental excellence.
Reporting and Investigation of Alleged Violations

All persons subject to this Policy are encouraged to report any violations of this Policy, without fear of retaliation or dismissal, directly to management, or through Valero’s business abuse hotline (the “Network”), a confidential hotline reporting system. The Network is available toll-free, 24 hours a day, 7 days a week, and callers to The Network may remain anonymous if preferred. Callers in the U.S. and Canada can reach The Network by calling 1-855-219-2495.
